#### Long Beach Award Program Honors the Achievement

LONG BEACH November 15, 2019 -- Masterworks Construction Services has been selected for the 2019 Best of Long Beach Award in the Construction Company category by the Long Beach Award Program.

Each year, the Long Beach Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Long Beach area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2019 Long Beach Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Long Beach Award Program and data provided by third parties.
